

ASTM A500 STEEL HSS

Everywhere Maruichi Leavitt

With a high strength to weight ratio, an aesthetic appeal favored by architects, less surface area for coatings and closed sections, steel HSS forms the future for OEMs and non-residential construction applications across North America.

INVESTMENT. INNOVATION. INTEGRITY

Maruichi Leavitt Pipe & Tube is your complete source for electric welded steel tube. We manufacture a full-line of steel tubular products including ASTM A500, ASTM A513, ASTM A53 and JIS G3445.
