

ASTM A500 STRUCTURAL PIPE

HI-Y 50: The Out-Performer

Designed to have a superior surface finish with closer dimensional tolerances, our HI-Y 50 Structural Pipe outperforms with higher strength properties, including a minimum yield strength of 50KSI. HI-Y 50 Structural Pipe stands up to any application.

INVESTMENT. INNOVATION. INTEGRITY

Maruichi Leavitt Pipe & Tube is your complete source for electric welded steel tube. We manufacture a full-line of steel tubular products including ASTM A500, ASTM A513, ASTM A53 and JIS G3445.
