To Whom It May Concern:

Leavitt Tube Co. LLC is an ISO 9001:2008 and ISO 14001: 2004 registered manufacturer of structural (HSS) and mechanical steel tubing with facilities in Chicago, Illinois and Jackson, Mississippi. Leavitt Tube Co. LLC purchases steel on the world market from many different suppliers for its tube making process. Leavitt Tube Co. LLC does not alter the recycled content of the steel during its tube manufacturing process.

The recycled content of the tubing manufactured by Leavitt Tube Company, LLC varies from 15% to close to 100%, depending on steel source.

Sincerely,

A handwritten signature in purple ink, appearing to read "Shunsaku Honda", is written over a faint background image of a Leavitt mascot character.
